“ *Awesome Man,soul, Friend and Brother! One others could learn by! He never took anything without giving something...he loved hard and solid if he liked ya it was forever and if he didn't well that was another story! He had a huge heart and took time to listen, he would somehow make all that was bothering you go away! He will be deeply missed but never to be forgotten! I love ya Brother! Til we meet again Much Luv and Respect!*
