

## Gary Don Maulsby, Jr

October 20, 1975 - February 5, 2019

Gary was born on October 20, 1975, in Miami Florida to Gary, Sr. and Susan (Terracciano) Maulsby. Our small family moved to Oklahoma in the summer of 1977. Gary became an awesome big brother when his sister, Jessica, was born in 1978 and again when his brother, Michael, was born in 1981. GD was a great artist. He loved comic books, STAR WARS, all things nerdy, his friends, but what he loved most of all was his family. Gary was an Uncle to Nathaniel, Hunter, Cale and Adrian. He was much more than that. He was a friend, teacher, caregiver, taxi driver, Jedi Master, Nerd, Uncle and Dad. He helped raise Jessi's two sons and quickly became more than an uncle to them. Susan, his mom, is heartbroken.

Unexpectedly, on Tuesday, February 5, 2019, at only 43 years of age GD died from cancer. He was surrounded by his family and friends as he gently passed away. He was loved by all and will be missed every second of every minute of every hour of everyday! Excelsior GD!, The force is strong with you.

Memorial Service will be 1:00pm Saturday February 9, 2019 at Serenity Funerals and Crematory Chapel.

“ *My Geedee was and still is the best person, I have known and will ever know. He always thought of his family and friends before himself. I will miss you every second of every minute of everyday.*

*I just saw this and I'm very sorry for the loss. I'm not only your father but of your brother, and Susan, your son. I was young and stupid when I met y'all and yet you were always good to me, including Gary was always the protector of everyone no matter who they were. I am very sorry for your loss and I know this is so many years later, but I hope you get this and know that your family was always in my memories and prayers even 30 years later. When my grandfather died, you consoled me. Nothing in this world can change what happened in the past, but just know that you were always a positive influence that I still hold to this day. Rest in peace, Gary Junior and Gary Senior. Love Eric Walker*

“ *I didn't know the day I held him to be christened that he would grow up to be the most caring and loving man.*

*Almost one year ago he drove from Tulsa to New York . Susan , Jessie and her two boys came too. The last time we saw each other was in 1991. Way too long to be apart ! Gary was not feeling that well but he knew how much it would mean to his Mom. We had a wonderful time and made more memories I will never forget. I'll never forget your warm hug and your smile. You said Mom and I were two crazy old ladies...Two crazy old ladies Crazy Over You!*
