“ So sorry for your loss. Gary was such a great influence on me as I was growing up across the street from him. A good man, that was always willing to take time out to joke, kid or talk about life. I'll miss that smile and the running gag of "Hey! Keep it down over there or I'll call the law." Again, sorry for your loss.

“ To all the family, this is from Claudia Ruiz, daughter of Augustine and Barbara Ruiz. I am SO sorry to hear of Gary passing. I am shocked. He was always there across the street, always had a kind word and a smile for everyone. You don't know how much we counted on him watching over our parents. He always took the time to be sure they didn't need help when we couldn't be there. My father truly thought the world of Gary. He was a great man, a true gentleman and one of a kind. He will be missed greatly. He will always be in all the Ruiz family' hearts. My sincerest condolences.
