“ Skipper and I were best friends for well close to 70 years. We did everything together as younger boys - fishing, hunting, horseback riding and just plain goofing off in the rock quarry. Then we got our Cushman Eagle scooters and rode them all over the Tulsa area. We were baptized together at Lynn Lane Baptist church after both of us accepted Jesus as our personal Savior. I miss my friend daily. But know that I will be with him again in Heaven. My thoughts and prayers are with Sandy.

“

Skip,

You were the first person to say, "Hello" when I first moved in. I know we talked, off & on for almost 30 years, which I enjoyed. Again, Thank you for the advice & watching out for me. I always saw you sitting on your porch & waive as I drove by. I will probably still look for you on your porch. You will be missed.

“ You were a wonderful dad who taught me the necessary tools to succeed in life. I know I get my stubbornness from you but in part that stubbornness got me through a lot of obstacles in my life. You were always there for me dad in whatever I needed help with. Though my heart is broken that you're no longer here with us on earth I know your body is healed and you're receiving your heavenly rewards. I will carry everything you've taught me and all of our memories in my heart until we see each other again. Thank you for everything dad. I love you.
