

Gerald Bartlett Simpson

April 1, 1955 - May 11, 2024

Gerald “Gerry” Bartlett Simpson, age 69, passed away on May 11, 2024. He was born on April 1, 1955 in Ridgewood, NJ to Verne and Doris Simpson. Though his loss was completely unexpected, he will long be remembered by all of his loved ones and friends.

After moving to upstate New York as a child, where he spent many years of his early life, he graduated from Burnt Hills High School. He then moved to Louisiana and worked as a welder in the oil rigs.

In the mid 1980’s he moved to Tulsa with a Harley Davidson and a passion for adventure. There he lived out the bulk of his years, enjoying work as a carpenter and eventually growing into a master craftsman as well as a talented mechanic.

Throughout his life and saddled on his motorcycle, he rode all over the country from the black hills to Sturgis, to the rocky mountains stopping in at the worlds highest Harley Davidson store, coast to coast, and miles of roads between to visit his friends and family. He was known and loved for working hard, playing hard, loving hard, riding hard and living his life on his own terms.

He is survived by his 2 sisters, 1 brother, 1 daughter, 2 sons, 11 grandchildren, 1 nephew and an extended family of friends.

Here's to remembering you Gerry, a rebel at heart with a spirit that never dies,
Cheers to all the good times and rides!
