“ I was fortunate enough to have worked with Gordon when he was an attorney for the Department of Justice. He was such a wonderful man who I looked up to as a friend and mentor. I will truly miss his smiling face and positive attitude. Rest in peace my friend.

“ I was fortunate to meet and know Gordon via the volunteer program at Linnaeus Teaching Garden. He was a very faithful volunteer who didn't mind doing the 'man' things, such as lifting and toting. He was always much appreciated when he arrived on our garden workdays. Pam, he shared many stories of your travels together. He will be missed. Prayers to the family.

“ Gordon and I were in school together in Pryor and graduated with the Class of 1959. He was always a happy individual with a good word to say. He came to some of our class reunions, but we have missed him in the past few years. I have thought of him often and our class will miss him.
