“ *As a child you were my favorite uncle, through my teenage years you were watching over me. I was so happy then when you moved back to Chelsea. But life moved you back to the Tulsa area. Our families drifted apart and we didn't visit much. I missed those good times. Your life was cut short and you left us. All we have now is the next life we are all soon to enter into. I will look forward to the family reunion we will soon have in Heaven. Slowly one by one our family chain is reconnecting. I do hope no one will be missing when I get there. So for now immerse yourself in the love of our Lord Jesus Christ, your trials are truly over.*
