“ I went to Benton High School on St. Joseph, Missouri with Helen. We stayed friends even after se moved away to Broken Arrow. I went to visit her and brought her 3 kids back to St Joe to their father rest in peace my friend, you are now in the hands of the Lord. She will be missed by Family and Friends.

“ Helen and I met and became instant friends at Benton H.S. in St Joseph MO back in the 60s. We had a lifetime friendship. She always had the biggest heart that was often challenged but she met those challenges head on. She fought a strong battle and did what she could to remain strong until her body took over. Condolences and love to her family during this trying time from me to you.
