“ *To my Mommy,
I love you. Your love transcends. Your love of sports...Kansas City Chiefs, Mahomes, OSU Football, OU Softball, ice skating, gymnastics. Tiger. You loved sports. I miss you. My life revolved around you. Such a void now. A seamstress for so many people. Tulsa Figure Skating Club seamstress. You kept us involved in ice skating. You helped Greg get through, always feeling guilty for not knowing how bad Dad was... she got out. Thank you Reverend Wells for helping her. So loved.*
