“ Hello, This is Houston Myric Foster the youngest child of Houston Eric Foster, I just wanted to say the my father was a great man, he may have been in trouble at times, but everyone makes mistakes, I remember every time I would see him or call him, he would tear up every time, because he knew he made mistakes. I remember the last words he said to me, he said “I love you so much, and I am very proud of you” and I would do anything to hear him say those words just one last time.
