“ I just learned about Jacki's passing. We were friends from the time they moved to the Lafontaine area. We attended the same church and school. After I got married and moved to the K. C. area, she came home with us and visited for a week. At the time, your Dad had given her an engagement ring and she hadn't told her folks yet. I knew she was having some health problems. Hadn't talked to her since she brought Bob John to the school reunion several years ago. My sincere condolences.
