James Clair Harvey

James Clair Harvey On April 20, 1943, a beautiful baby boy and the last of thirteen children was born to Fletcher and Stevie Harvey, both of whom preceded him in death. They came to call him Mr. James C. Harvey. James was born in Covington, GA where he received his schooling and later enlisted into the U.S. Army. He received an honorable discharge in 1964. Upon discharge he moved to Chicago. Soon after relocating to Chicago, IL he met and married Ernestine Ray in 1968. To this union were born, Rolanda Harvey and Roland L. Harvey. James was such a people person, and he loved to help anyone he could. He had a passion for fishing and playing pool. And most of all he loved to make people laugh by telling jokes all the time. There wasn't anything he didn't have a joke for. He became a cab driver for the City of Chicago for 25 plus years until he became unable to drive in the year of 2000. He resided with his last living sister until her passing in 2005, when he relocated to Tulsa to live with his children and grandchildren. James was very independent until his illness and then resided with his daughter, while God prepared his new home. Once God finished preparing his home and was ready for James to move in, he called for him on the evening of November 19, 2015. He leaves to cherish his memory his wife of forty-five years, Ernestine Harvey, one daughter Rolanda Harvey who has always been and always will be a daddy's girl; one son Roland L. Harvey who has always held a very special place in his heart; three grandchildren Jarvis, Kennitra and Kenneth
