“ *janice was my grandson's other grandmother. She was a good woman. We were friends. She was very smart and worked hard all her life. I was honored to have met her. I miss our talks. God rest her sweet good soul. Your good friend Donna Burgess*

“ *Janice is missed by all those who knew her. She was my grandson's maternal grandmother. She helped people who needed it. She loved her daughter and grandson deeply. She was a good friend to me and very thoughtful. I miss our talks. God gained another caring angel.*
