“ I visited with Jan a few years ago at the Earp Reunion. Jan, Shelli & I sat together and laughed and shared a lot that afternoon. She was so sweet and we discussed some of her passions, genealogy, bead work and her children/grandchildren. She also discussed her cancer diagnosis. Her knowledge, kindness, enthusiasm, and grace were evident and I really enjoyed our time together. Prayers for the family.

“ Jan Tharp was an employee of The Audit Store for a number of years. She are so sad this has happened to a good friend and employee. She was the most dedicated auditor and had very good communication skills with our customers and with the home office staff. She was always such a great joy to work with and always so willing to help out whenever needed. There is no one like her. She will be missed So Much by our whole company, The Audit Store family. We send our prayers and condolences to her whole family during this very sad time. If will say Heaven got one of the very best....
