

Jax Erin Medley

July 10, 2001 - April 23, 2026

Jax Erin Medley, a devoted father, beloved son, and spirited brother, passed away on April 23, 2026, at the age of 24.

Born on July 10, 2001, Jax was a man who found joy in the simple things and lived life with a vibrant, infectious energy. Jax was a hard worker who recently took great pride in his new role pulling auto parts for LKQ, a job that suited his hands-on nature and mechanical curiosity. He was well-liked and loved at work, even earning "Employee of the Month" recently.

When he wasn't under the hood of a car, he could almost always be found near the water. An avid fisherman, Jax found peace and excitement in the cast of a line—a passion he shared with those closest to him.

To those who knew him best, Jax was a source of constant laughter. He was well-known for his playful spirit, most notably seen in the goofy TikTok videos he frequently created with his sister. Whether he was dancing, joking, or just being himself, Jax had a unique ability to brighten any room and make everyone around him smile. He also loved spending time hitting the weights with his big brother, Brady; the two of them took great pride in "getting swole" together.

Above all, Jax's greatest legacy is his children. He was the immensely proud

father of Kaysen, Zalon, Isleigh, and Emerson. His love for them was his driving force, and his spirit will live on through them.

Jax is survived by his father, Jack Medley; his mother, Belinda Bryant; his brother, Brady Bryant; his sister, Jennica Medley; and his four children, Kaysen, Zalon, Isleigh, and Emerson.

He will be deeply missed by his extended family, friends, and all who were fortunate enough to know his kindness and humor.

"To live in hearts we leave behind is not to die."
