“ We were very upset to hear the news of Jerry's passing. He happened to be a near and dear friend to my daughter Tatum, she enjoyed her trips back to Oklahoma to see her grandparents and Jerry. It was very hard to break the news to lil Arizona, she was heartbroken and was upset because she remembered she had said she was gonna bake him cookies this summer when she came. I had only met Jerry once but felt like he was almost family, I saw him on Facebook and loved how he was a genuine sweet man. We will miss him dearly and will never forget him!! Our condolences to his wife, family, and friends.

“ Norma...just saw you and Jerry and your dad...at the party for John and Lois...and just find it hard to believe that was the last time to see him ...this side of heaven.

“ I did not know him personally. I met him online through a mutual online acquaintance and he was a gem. He was a great family man and we had the same morals and beliefs. My heart has a hole in it and I will miss him as part of my online family.
My condolences and prayers are with you!
May God help you through time!

“ Jerry started working with me at another health department site several years ago and then we both moved to our current location. Jerry always had a "good morning" and a smile, no matter if he was having a good day or not...he never let on! He always had a silly joke or story to tell and was always kind to our patients, big and small! He IS and will continue to be missed...til we meet again...
