“ I was saddened to see of Randy's passing. We lived next door to one another on North St. Louis as we grew up. The Berry's, the Caldron's, the Freeman's, the Frampton's, the Tibbitt's, Mrs. Callison, Garrison's, Hurd's, and so many others who made unforgettable memories in the 1400 block! My prayers are with all of the Berry family in their loss.

“ I miss you already! Thank you for my mini bike, my first car, and for allowing me the opportunity to be your advocate and voice. You always found the humor in my own life stories and looked forward to reliving them with me. I will miss your knowledge and generosity. Love you bubba, your blonde bomber Debbie
