“ John was truly one of our true friends in life and that doesn't come around often. He had a heart of gold and we're going to miss the hell out of him. This still doesn't seem real. I'm really grateful that he's no longer suffering because, although he was a tough and strong mf, he was hurting.

When I think about John, I just think about his great sense of humor that bordered on orneriness! He sure enough stood out amongst the crowd. I love you and you will be missed my friend.

“ I met John 17 years ago through his wife, Peggy. John was a very good friend that would do anything in the world for you. He was a great listener which made him so easy to talk to. My heart and prayers go out to Peggy, and family. Just know John will never be forgotten and memories always will always be with me. John, your pain and suffering are now gone and I know I'll meet you in a better place again. God Bless you, my friend.

“ My prayers go out to John's family and friends. I'm sorry for your loss. He was my friend too. We didn't get to see each other often enough. But, when our paths did cross we picked up right where we left off. He loved talking about family, cars, and life's adventures. He was a generous man, kind, and always gave his best.
RIP My Dear Friend
