“ To John's family,
I am so sorry for the loss of your son, brother and father. I have known John since 2001 and he always did things John's way but with love mixed in there somewhere. I know he is with our Lord and Savior Jesus Christ. John I'm sorry we lost contact over the last couple of years but I'm glad I seen you just a couple of months ago. I will miss you and I know your in a better place. Love, Karley
