## Biography

Joseph Craig McDonald passed away on February 26th, 2014 after a long battle with mental illness and addiction. Joe McDonald was born on August 26th, 1958 to Gertrude Blum Galloway McDonald and Al McDonald. Joe's early years were not easy ones and as a pre-teen and teenager he slipped into a world of drugs never to return. The damage drug addiction did to his body and mind made him unrecognizable in both behavior and appearance to his friends and family. His beloved Mother Gertrude McDonald and his favorite Aunt Joan Page preceded him in death. Joe wasn't born a bad person and he did have people that loved him before we lost him in the 70s. If a loved one is suffering from drug addiction or mental illness please intervene early & often before they descend into the abyss of addiction and mental illness.
