Joseph, I'll be forever thankful for all the years of friendship, our talks, jokes, and being like a little brother to me. I'll never forget us going to see that scooby doo movie and we cracked up because he was beige looking not brown but that was our thing; we always laughed. My heart is broken but I rejoice knowing you're in the presence of God playing those golden drums/symbols. I love you brother. And to Pastor Jack, Debbie, Kim, Billy, Jackie and kids...my family's prayers of peace and comfort surround you all...I love you all.
