“ I could talk about how he'd sing to me or laugh with me ...or how he would always strum his beard with his right hand when he was in thought or something was on his mind. I could tell you how he'd pull his hair back and it was the most gorgeous hair I've ever seen ... I would also tell you how he'd hold me till I'd fall asleep and I always felt so safe !! The biggest and best thing I will tell you about Joey is he was so dedicated and sincere about us he never gave up never quit put everything he had in us and we were his everything..his legacy he leaves his music he loved to work he was extremely passionate about doing a good job..outworking the rest of his coworkers..that was a given.. his favorite car was a vw gti he always talked about how much he loved his momma..he never stopped loving or doing all he could for us!!! I love u baby and God do I miss u my best friend my world!!! 😞💋🙏💙💜💖💕
