“ *Mr. Tyler is definitely etched in my memory forever. Such great memories and a great coach/teacher he was to us. He was a just a cool guy and easy to talk to and he loved us as we did him! A really great person that made a difference in our lives, even though it was a very small time we were around him. That says a lot about the kind of person he was. He actually knew my dad way back before I was even born and they were friends then. My dad always spoke highly of him and vice versa. My condolences to Mr. Tylers family and loved ones.*

“ *Mr Tyler was a special teacher & friend to me. He was my class sponsor & we worked closely on lots of things together for 2 years. He cared for all of the kids so much & had a real knack for saying things to motivate us to learn. He was my personal advocate several times. I'm just glad I was able to thank him many times thanks to FB. My deepest condolences to his family. We all knew how much he loved you all. You were beyond blessed to have him.
