“ Oh how I;m going to miss Kathy. She was such a sweet women. We always looked out for each other. I'll miss her calling to let me know someone is messing around the house that shouldn't be. Or to let me know that I forgot to shut the door on the shop. She was always smiling no matter what. I tell you what she loved to shop online. There was always Fed Ex or UPS dropping something off at her house lol. I really loved that women and I'm really going to miss her smiling face.
