“ I will always remember us sitting on the side of I-10 and her explaining to an angry and hurting teenager how it wasn't his fault that his parents got a divorce. I love and miss you Aunt Kathy.

“ Kat has gone to be with our Mom and brother Jim. She passed away after an extended illness. Kat was a strong willful individual who worked hard and loved deeply. A couple of years ago she left her home and moved in with our brother Jim his wife Lynn. She was glad she did that it gave her the opportunity to grow closer to Jim and love Lynn as the sister she is. She got to know Jesse, Stephanie Josh and Doug. Jim and Lynn's children. Fell in love with Virginia and Colin, Stephanie's kids. And Lee, Jesse's significant other. She later moved here to Oklahoma to live with me and be close to our brother Jerry. My son John, his wife Breanna and daughter Delilah grew closer to Kat. Breanna's mom, Lisa and her sisters Savanna, her significant other Zoe and daughter Willow and Nikki welcomed Kat as family. Loved them very much. Kat would talk with her best friend Donna and her husband Mark often by phone. She was very close to them and godmother to one of their sons. Donna often said our mom loved her best. I imagine conversations in heaven with mom saying yep. Lol. Kat gave us all the ultimate gift, her absolute love. Kat I miss our conversations, going shopping and dinners. I even miss our fights. I'd give anything to have one more argument where you'd say.. I win. You were very much loved and admired by anyone that knew you. Rest easy now sister you earned it. ❤️❤️
