Kayla, You were so strong and fought so hard. I will always remember your smile. I have so many memories of you sweet girl. One that always makes me smile is the night before you left for Oklahoma. Took you out to eat and you kept us laughing the entire time. You will be missed so much.

Samantha and Karen we are here for you and so sorry for your loss. We love you both.

May you find comfort in knowing she is no longer suffering. She is a beautiful angel watching over you.
