“ Keke was my uncle. I couldn't say Kenny was I learned to talk so it was Keke, and LOTS knew him as Keke. He was the BEST uncle I could have ever asked for. I have sooo many great memories with him and he was one of a kind. He could bring laughter to any room. He was an AMAZING athlete. He loved to fish, hunt, play baseball, hockey. I would be at a lot of his baseball games when I was younger and cheering him on. He loved to tease me and take me everywhere with him. I could go on and on. Keke you will be greatly and thought of daily. I love you soooo much 💙💛 TU ❤️ 🍷 St. Louis Cardinals. LOVE.

“ RIP my friend Kenny! Thank you for all the laughs you brought to a room! I thought of Kenny like a little brother because he and my brother Johnny were always together and playing any sports which he was amazing to watch. Kenny had a good heart and good sense of humor, he cared and he was there for you if you needed him. Kenny is going to be missed so very much and all the wonderful memories he has left us with will be remembered forever. RIP Kenny Joe, .....you are loved

“ *From the fields in Tulsa as competitors growing up playing baseball in our youth to being teammates on the University of Tulsa Baseball team playing for coach Shell, I will always smile when I think of you Kenny. You brought a joy of life to all that you did. Hunting, fishing and Knotty Pine barbecue for pregame meals will never be forgotten. Thanks my friend until we meet again. Joe Carroll*
