“ I knew Gene when he lived across the street from me. He had a moray eel. He was a very friendly character.

“ Gene you have now been gone 1 year and it still doesn't seem right. I struggle with the loss of you and Percy too! You were my friend and my brother. We were always close and now I'm alone. I miss you so much it hurts so bad. I'm thankful you are in the presence of God now. No suffering or pain. I'm glad you were there to welcome Percy!! It's just so hard for the ones left here. You were my best friend next to Percy. I miss you both so much, my heart is broken. I love you Gene and miss you desperately. I look forward to the day you and Percy will be welcoming me with outstretched arms ready to hug me. Tell Percy I love him and squeeze his neck for me!! Save me a place with you two. See you soon!! 💔💔💔💔

Joan, Sorry to hear of Gene's and Percy's passing. I lost brother Gary in 2020. You are the only Titus cousin I have found. Cousin Jackie passed 2022 too. I visited Sabetha last week which brought back a memory of visiting Rush Springs. Would like to reconnect sometime 515 298 1871. Cousin Mark

“*Gene I miss you so much! I still can't believe you are gone and so is Percy. Just two months after you left so did Percy. I was still in shock over you, now I have been dealing with the lose of Percy. You and Percy were the two most important men and people in my life. Now I've lost both. I'm glad you were in heaven to greet Percy. Now you two are in God's presence and no pain. I love you both so much and I'm heart broken! I'm really looking forward to seeing you guys again soon!!* 💔💔💔💔💔
