“ I am so thankful for our blessings Deztinee and Samuel who are thriving and beautiful and I really wish you was here to see. But I know you are in spirit and I'm reminded every moment you are. Samuel is just like you and his brothers he starts football this year and Deztinee started school. I'm now 10 months sober and slowed way down like you told me to, you'd be proud. I really miss you and I can't wait to have full custody of kids like we tried together to do so I can be sure they meet their brothers and sisters. Fly high Kirk and keep watch over us. Thank you for the good times and I apologize for the bad times. You taught me a lot and you will forever be in my
❤️❤️❤️
