

Krystal Marie Martinez

April 5, 1985 - March 25, 2025

The world lost a strong beautiful soul on March 25th, 2025. Krystal left us after her battle with breast cancer. She is most known for her creativity, strong will and kindness. She was always thinking of others before herself.

She is the mother to three children Raymon, Calisa, Talon and many fur children. She provided for her family as a pharmacy technician for the VA of Tulsa.

Krystal was a warrior among so many battling cancer but she was our warrior. She leaves behind her children, parents Marcus and Danette, Sisters Marilyn and Alyssa and loving partner Travis.

She will be remembered for her smart wit, beautiful smile and joyous laugh. She would tell us to not grieve but to celebrate all that we have gained from having her in our life.

“ *I worked with Krystal for many years at St, John Medical Center. She was as pictured, a smile on her face and helping to take care of the patients she served. She was a delightful person and she will be missed by her family and her friends. Fred Keehn*
