“ I am so very sorry to learn of the passing of my wonderful, loving sister like friend. Her son, Jimmy, was in my Bible school class at Messiah Lutheran Church, Richardson, Texas, 1963, the beginning of a life long friendship. Our lives took different paths but we kept in touch and it wasn't Christmas until I received and sent, a news letter from and to her updating eachother on our years life events. Her son John was born and soon after, my son. We had baby showers and soon after, she and Milt left Texas. I lost a part of my dearest friend. I returned to Pennsylvania and shortly after, Milt and LaRee returned to Texas. We became close pen pals and I was delighted to learn of Lisas birth. No long after that, my daughter was born.

LaRee has dominated my thoughts and memories very strongly in recent months and I finally have time to search for her. I am missing your friendshop very, very much LaRee, and I feel your spirit around me. Many thanks to our loving God for the life of one of my dearest friends, LaRee Traylor.

May God Bless her and her family and give them all peace.

With much love to all.

Sincerely, Nancy Egnitz Andres, West Mifflin, Pennsylvania
