“Dad, I miss you so much. I've thought about and loved you every day while you were here and I think and love you each day that you are not. I hope you know that each day I come and go from home, when I wake up and when I go to bed, I ring the wind chimes because it makes me feel safe having you here with me and also to annoy the shit out of you! LMAO! I love you daddy.

“Larry just found out today of your passing, I'm heartbroken. My mom passed on the same day & I was out your way but not much time. I'm Thankful you're not hurting anymore, I know how rough it was for you. My Prayers are with your daughter & grandchildren, I know they are lost without you, David also. Until we meet again my friend....☐
