“ My dear beautiful friend, I will carry you in my heart always. I remember we used to love playing pool and listening to Coldplay or Tom Petty in the car. Yellow was the song I remember we had on repeat. 🍷 I cherish our memories and the fun times we had. Only wish we had more time. I love you and miss you so much!

“ To my beautiful sister, I will always love you! You were taken from us way too soon. Give mom a hug and kiss for me. We'll be together again one day. I'll help watch over your kids and grandkids. You don't worry! You've left behind some wonderful children who will live on in your memory. Keep smiling Lat! Love, Ann
