“ *Mr. Leo was a man among men. He would constantly show us ‘youngsters’ how something got done. You always knew you could depend on his word. May God’s peace be with you family.*

“ *I am still in shock. This is a tough one to handle. I love Mr. Leo. Whenever I got to see him which was not much we had some good laughs. What a great man! God bless you Brenda and entire family. I am praying for your strength and comfort during this difficult time in your life. I am here for you and if you need anything I offer my services as well as my support whether you just want to talk or need a shoulder to cry on. Again God bless! Leo will certainly be missed!*
