“ *Dear Sherrill, my bichon "Miss Daphne Moon" and I live in Daly City, CA which is just across the southern city limits from San Francisco. We have been Small Pawsers for almost 11 years. Anyone who is so kind to Robin must have been a truly special person. Daphne and I are so sorry for your loss. We know that Leonard is resting comfortably in God's great hands and that he will look down on you from Heaven daily. God bless you and God speed to Leonard.*

“ Dear Sherrill,

I'd never heard of your husband before today, but, now that I know he was a significant support to Robin Pressnall, I am very grateful to him.

I never read the Small Paws newsletter without marveling at Robin's dynamism and wondering how she keeps on keepin' on. Now I know that Leo was one who have kept her going.

May you find comfort in your memories of a great man.
