“ It has been over 8 years now that you left us to live in Heaven. I still think of you every day and miss you now as much as I did those few months without you. You are still dearly loved! Life here on earth has not been the same since you went to your heavenly home. Things did not go as you planned, I am so sorry for that. Just know that my heart still aches for you and I miss those notes you always left for me. I still read the one you left me, I still have each and every one of them. I love you still to this day! Until we meet again in Heaven, rest well in God's embrace!
