“ Oh Lisa you're my best friend and sister for so many years. I love you. I will miss you. We had so many good times together as teenagers going to the flea market every Sunday after church, as adults going to England going to concerts. I will never be able to listen to Robert Plant without thinking about you ever again. My favorite memories the cheese it box and Robert Plant's gate when we were in England. Private joke nobody else will ever get. We had so much fun on that trip I'm so glad we got to take it. Favorite memory going to the lake and weekends taking Arla up there let her play in the lake and in the Illinois River. Thank you for being her godmother. We will miss you so much. Rest in peace my dear friend
