“ *I served with Lloyd on the USS Mobile LKA-115 from 1977-1979. We had some great times together and some long work days to. The one story I would like to share is the time 3 of us went to a drive-in for a movie I can't remember. As we waiting for it to start an older car pulled in ahead of us to park. Lloyd and I looked at it and started laughing about its looks. The guy in the back was saying how nice it looked and said the guy probably put in some time and money to it. About this time the guy got out to block the tires to keep it from rolling back. We laughed until our guts hurt. Lloyd, rest in peace my Navy Brother, we have the watch! Our thoughts and prayers to the entire family!!*
