“ Shirley, Lauren and Lyndelle, I was so saddened to learn about Lloyd passing. I remember so many of our good times together. I know he was a special person and had many friends who are saddened. I think we'll have a ball once we all join him!!! Love to all of you and your families.

“ Lloyd was my friend and my boss at McDonnell Douglas. He was a fine person with a big heart. He was loyal to his friends and had an easy smile and loved a good story. Condolences to his family.
