“ I've always been a daddy's girl. I am so grateful I was able to visit with him Friday the 4th. Not knowing it would be the very last time I seen him. Dad was a very strong and patient man. He was also very quiet. Friends would come over and dad wouldn't say anything and made them afraid of him. I asked him why he did it, he grinned (you know the one lol) and said, "because I can". I'll miss him so much! I love you Dad!!
