“ *You wished no one a last farewell, nor even said goodbye. You were gone before we knew it, and only god knows why. You wont come back we know its true, but some day we will come to you. Forgive us jesus if we should weep, for the man we loved and longed to keep. Grant him peace and eternal rest. We loved him dear lord for he was the best!*

I love and miss you so much father and I only wish that one day I can be half the man you were.
