Mom, We will all miss the TWINKLE in your bright green eyes, your beautiful smile and dimples..your green plant advice, your recipes, the gorgeous hand created cards for special birthdays and holidays kept as treasures now, and all those precious MOM moments of time we can never get back, but know God will shine on us again one day in his presence as a complete family to enjoy. May you Be at Glorious Peace now Mom.

" FOR YOU SHALL GO OUT WITH JOY.

AND BE LED OUT WITH PEACE;

THE MOUNTAINS AND THE HILLS

SHALL BREAK FORTH INTO SINGING BEFORE YOU.

AND ALL THE TREES OF THE FIELD SHALL CLAP THEIR HANDS ."

“MOM, Im so glad you are not suffering here on earth anymore, and I know God has you so close to him now.. I miss you terribly, and I pray my pain eases in time. I am beyond grateful to have had you as my mom, and learn so many valued lessons in life from your own struggles. I will carry those with me daily and stay strong till we meet again in heaven... and I will talk with you daily and watch for your direction. I am so happy for your eternal peace and joy.. NO one deserves it more than you do ! xoxoxo I LOVE YOU MOM, Nancy.
