“ *Mom, I'm not good with words but no words can describe how much you will be missed, you were my rock my best friend my shoulder to cry on when things get tough you were always in my corner no matter what you came to every school event and every gymnastics meet, you made sure that just because I was adopted I was still you're little girl and I always will be I love and miss you so much.*

“ *Maggie was one of a kind. The best neighbor I've ever had. Always willing to share a laugh and a home cooked meal. Her generosity touched so many. Praying God blesses her family with strength and love to help fill the void she's left in this world.*

“ Mom,

I'm not one that's good with words, you were and will always be the foundation to many peoples lives including mine. No matter my stubbornness, you were always there in my corner. You were there correcting me on my wrongdoings and coaching me how to be a better man. You helped me through my struggles and never viewed me less.

Forever and always your baby I'll be
