“ *She never met a stranger! Her sweet spirit was so joyful, kind, and friendly whether you knew her well or not. She could carry on a conversation with anyone. Also, she always carried a contagious smile that warmed your spirit regardless of the heaviness of your day. Her eagerness and willingness to help those in need (without them having to ask) will always be remembered. Although I didn't know her well, I saw her brighten up many peoples lives. We need more Mary Lou's in the world. I will never forget her kindness, her beauty, and her smile.*

“ *Mary Lou.. I can still see her wonderful smile and hear her infectious laugh. She had such a warm heart - always listened to everyone. She had a remarkable capacity to touch everyone with her kindness. When she and Dad would visit, we had the best time. She loved to sit outside and 'listen to the wind in the trees and feel the sun on my face'. That is what I wish for you always dear sweet Maria Luisa. Rest in peace. With much sorrow and grief, my deepest condolences, Lori Rapo*
