“ I knew Marie as a young child and was glad to see her once when I was visiting her mother, Aunt Lucille. She was so happy and upbeat, even with her challenges. It is obvious that her smile would light up any room.

“ I met Kevin and Marie in 1981 when I moved to Tulsa to go to school. Kevin and I worked together and I answered a phone call from Marie. I hit it off with the both of them and kept in touch after coming back home after school. Marie became a wonderful friend and helped me through a lot of things my being away from home for the first time. I will always remember her beautiful smile. She'd smile and the whole room would light up! I knew Kami as a toddler and was around when Holli was a new born. I know Marie was proud of the beautiful women they both became as well as their wonderful families. I always loved to hear her talk about her grandkids and hoping she could make them happy and keep them busy when they'd get to visit. I hadn't heard from her in a while, as we usually talked once a week or so, and was afraid she wasn't feeling well. Only seeing that she had passed here, this past week. She will be missed, by everyone who knew her, especially her loving family. I know that I will, she was one of the special ones.

Much love,

Dale Smith

working. She has been touching the lives of the frail elderly for over two and a half decades in her career as a certified nursing assistant.

Marie has been making a difference at Baptist Village for over 17 of those years. Marie will tell you she loves being a certified nursing assistant as much today as when she first began. In the past, she has declined promotions to maintain her relationships with the residents she loves so dearly.

She has always wanted to do for others what they could not do for themselves. She is a gifted listener, understanding resident's personalities.
