“ *Jane was a lovely lady with lots of joy in her life. She loved her family and friends.
The best advice I received when my mother died was " Everyday remember a good memory" So when your sad remember a great day with Jane and the joy of that day with replace the sadness.
My thoughts and prayers are with you all
God Bless*

“ Jane touched 3 generations in my family. First, my mother. Jane and my mom, Mary Perry Shepley met in the '70s when they both worked at North Freeway Bank, in Houston. At that time I grew to know Jane as my mothers friend, and then my friend. Jane also was close to my little boy, Kris. He is now grown and has his own little boy. It is a sad evening for all 3 of us. Jane was special to us, made us laugh. I remember always wanting to look at the rings she wore. She had such tiny hands and I was facinated by how small her rings wore. Funny how we remember things like that. I also remember how her home was always so perfect. That was Jane. A perfect little lady. We all loved her and want to express our deepest and most sincere sympathy to all of her family.

“ Mom, You will always be in my heart. I Love You!! I know that you are in a better place now!
Free of Pain, and with Grandpa and Grandma. I am so glad I got to spend the time with you that I did. I wish it could have been longer, I know that is what you wanted too.
