“ *It's almost been a year since you went to heaven  
I think & talk to you everyday, & I swear you talk back.  
I miss your laughter, your silly stories.  
But most of all, I miss seeing your face and hugging you  
Until we can see & hug again, I'll see you in my dreams  
Love you my mother my friend, my mema*

“ *A beautiful crazy free soul, No one will ever compare to the amount of laughter you brought to a room. No matter how many years had passed, Memories of the things we shared never faded away. We could always reminisce of the sweeter time, When Garth Brookes sang about the Thunder and Elvis Sang about the Hound dog. We always seemed to find the laughter in every situation even the hard to swallow ones. May you rest in peace my sweet loving granny pie. Until we meet again, Keep the thunder rolling and the hounds barking.*

*You are missed & loved daily  
You are the warmth in my heart  
The twinkle in my eye  
The smirk in my smile  
The giggle in my laughter  
I look in the mirror & see me in you  
You gave me my life with birth  
And gave me your heart with love  
I am blessed & thankful for you being my mother  
I love mema and miss you so much  
Until we reunite in heaven*
