“ My memories of Mark are mostly center around his boys and there sporting events. No game would have been complete without seeing Mark setting on his small camping stool. I had the honor of coaching his youngest son Cody in both baseball and football... Mark was always there may nights roaming from field to field to catch a inning or two of his boys... I will always remember are talks after Driller games and his support of all the players and the Coaches...

“ Goodness. Shocking to hear about Mark.
We dated when we were 15/16 years old. Mark was the sweetest
guy. So kind.
And as high school romance goes, we moved on.
Debbie Mitchell spent the night. She said Mark had just asked her
out. They seemed the perfect couple. The rest is history.
Deepest sympathy to his wife and to Mark's family. His children lost
their mother and now their dad. I am deeply sorry for your loss.

“ I never got the pleasure of knowing Mark, but when we passes in
hallways or around school, he was always smiling and saying hi. He
was a very nice person. Many sympathies for and to his family
