“ I first met Mary at St Francis Dialysis. She was in the same dialysis unit as my husband. I also had the honor of meeting her youngest son Franklin Frey who was her caretaker and as our friendship grew I found out he was also a "Sandite". Mary was loved at St Francis and we all enjoyed her smile and sense of humor right up to the end. I also got to meet Kathy, her beautiful daughter when she was able to come visit her Mother. Mary had some great children and Franklin was a good son to take on full time care of his sweet Mother. Thank You Franklin for sharing your Mom with all of us at dialysis and RIP Mary, we will see you again one day. 🌸

“ Mary Jeanne was a wise, wonderful woman. I have never seen anyone complete a crossword puzzle faster than she. She was full of wise, sage advice; always ready for a laugh and a little bit of a party. I'll always remember that she told me she knew I was going to marry Bob before I did. Love that she was such a part of my family's life all these many years; so many, many fond memories of her. Darnell Perritt and Rolene Family
