“ *Uncle Matt was the glue to our family. He always told you what you needed to hear whether you wanted to hear or not. He was funny, loving, and full of life. He loved all of his kids , his grandchildren, Aunt Donna. He was a family man that is for sure. He always worked too , and gave people jobs if they really wanted to work. We lost a wonderful man that day!!!!!!!!!!!!!! I love you Uncle Matt never ever thought I would have to go on with life without you!!!!!!!!!!!!!! Also if you were to see your family you would be proud of them.*

“ *Matt was a kind, loving and all around good man. He and I grew up together. I have many good memories of us growing up. Camping trips, vacations, and holiday get togethers at MeMa and PaPa's house. The best memory is when Matt and I decided to hitch hike from Texas to Oklahoma. It took us 3 days to get there. It was cold with snow and we took turns sharing the only jacket we had. We came across some crazy people along the way. Matt had my back and I had his. But God had the both of us. I'm glad to have known him as my cousin and a child of God's.
P.S. Matt, don't be wrestling with the angels up there, lol. I love you man!*

“ *Matt was a great and loving brother, and father. He never meet a stranger and would give you the shirt off his back. He was well love by his family and friends. And thought highly of. I will miss him and love him always.*
